

UPHOLSTERY & FABRICS MOLD & MILDEW STAIN REMOVER (Item# TGC-MMR-32)

INSTRUCTIONS FOR USE:

1. Before using this product, eye protection and rubber gloves should be worn. Cover the ground under your work area before starting.
2. NOTE: Test for colourfastness in an inconspicuous area before using.
3. This product is ready to use.
4. Spray this liquid onto the fabric until the fabric is completely wet.
5. The time the remover needs to take effect depends on the extent of staining, and may vary from 3 to 10 minutes.
6. Remove dirt and grease with a soft scrubbing pad. Afterwards, rinse the treated fabric thoroughly with clean water and allow to dry.
7. If the stains have not been completely removed, the treatment can be repeated, leaving the remover a longer penetration time.
8. Afterwards use Fabric Protector to make the treated fabric water repellent again.

HAZARD WARNINGS:

- Causes severe skin burns and eye damage
- Do not breathe dusts or mists
- Wash thoroughly after handling
- Wear protective gloves/protective clothing/eye protection/face protection
